SAFE WORK PROCEDURE

Handling of Music Equipment

COVID-19

<p>Potential Hazards: Ensure application of Provincial Health guidelines for health and safety of employees during the COVID-19 pandemic.</p>	<p>Personal Protection Equipment (PPE) or Devices Required</p> <ul style="list-style-type: none"> Gloves (if available) 	<p>Additional Training Requirements:</p> <ul style="list-style-type: none"> N/A
--	---	---

Only authorized employees are permitted to perform this task.

- If you show any signs of illness you should remain at home and notify your supervisor.
- All staff will be required to follow the Public Health Advice upon entry into each school/facility.
- The Music/Band/Guitar teacher will schedule the date and time for drop off or pick up of musical instruments.
- A designated area will be set up inside or outside of the school for instrument drop off / pick up. This information will be communicated with parents and/or student and/or service company at the time of scheduling the appointment.
- Designated staff are required to be on location for visual confirmation of drop off and/or pick up.
- Where music equipment is not in a case, it should be put in a plastic bag for drop off. This should be communicated during scheduling of appointment.
- Gloves should be worn when transporting the equipment to the band room
- If gloves are not available or worn, immediately wash hands after handling the equipment for the recommended 20-25 seconds with soap and water. If gloves are used, dispose of gloves into garbage receptacle and proceed to wash your hands when task is complete.
- Music equipment will be stored in a designated area of the band room and is not to be moved for the designated wait time of 3 days, or until it is picked up for yearly maintenance by service company.
- An appointment will be scheduled with the service company to pick up equipment and remove it from site for maintenance.
- When the service company arrives for pick-up, designated staff will be required to meet them at entrance into the school.
- The service company will be required to disinfect their hands or put on gloves immediately upon entry to the school.
- Occupancy within the building must reflect Manitoba Government Public Health Order.
- Maintain social distancing of 6 ft (two meters) at all times.
- The designated school staff member will accompany the service company delivery person into the band room for pick-up of the equipment and assist them with the removal of the equipment, if required.
- When all equipment has been retrieved and removed from the school, designated staff will immediately wash their hands and wipe down any door handles that were used during this procedure with spray disinfectant or wipes.

REPORT ANY HAZARDOUS SITUATION TO YOUR SUPERVISOR
