

Children with Additional Support Needs:

In Manitoba, we are committed to the following philosophy of inclusion as our guiding principle:

Inclusion is a way of thinking and acting that allows every individual to feel accepted, valued, and safe. An inclusive community consciously evolves to meet the changing needs of its members. Through recognition and support, an inclusive community provides meaningful involvement and equal access to the benefits of citizenship. In Manitoba, we embrace inclusion as a means of enhancing the well-being of every member of the community. By working together, we strengthen our capacity to provide the foundation for a richer future for all of us.

Contact Student Achievement Support Services if your child may require additional support needs. Phone: 204-729-3132

Children in Care of a Welfare Agency (Guardian) must be registered by the child's Case Worker assigned by the Agency. Information and documentation required can be found on our website:
