**The following goals were updated and accepted by the Board of Trustees and subsequently approved at their Regular Board Meeting held on September 10, 2018:**

### **EDUCATION AND COMMUNITY RELATIONS:**

1. Monitoring of Continuous Improvement Plan Report.
2. Building Relationships with existing and new stakeholder groups and with government.

### **FINANCE AND FACILITIES**

1. Implement a multi-year budget strategy to plan for future sustainability and attempt to limit the school property tax impact on a typical home to the sum of inflationary pressures plus enrollment growth. Ability to achieve this goal is dependent upon provincial guidelines and funding support.
2. Continue to explore and develop the use of new and existing learning spaces in Brandon School Division to support current and future programming, with an emphasis on safety, security and access.
3. To lobby the province for increased Tier 2 and Tier 3 support given the large and increasing needs of the student population in Brandon School Division.

The Board of Trustees is committed to the educational needs of the community within the Brandon School Division and seeks to carry out this role through the practise of good governance. Effective governance includes sound policies that support a school board's mandate in the areas of leadership, stewardship and relationship.
