Dear St. Augustine School Parents,

Re: Collection of Religious Education and School Agenda Fees

As a School of Choice in the Brandon School Division one of the unique features of St. Augustine School is our practice of providing Catholic catechism materials and a Catholic school agenda for our students. We also provide noon hour lunch supervision at no extra cost for all students. There are two changes that were passed by the Brandon Catholic School Board at their meeting on January 16th - a raise of \$5.00 per pupil to offset inflationary costs of materials and to charge a consistent fee for all pupils. As a result, there will no longer be family discounts for multiple sibling families.

Therefore, the fees for 2019 - 2020 are \$60.00 per student for the entire year.

Payments can be made by cash or by making cheques payable to St. Augustine School. Please note that receipts will be issued for cash payments only.

Kindly return your payment to the school office along with your completed school registration package.

Any families who require a payment plan using post-dated cheques for their entire invoice amount should contact the office to make arrangements.

If you have any questions about this matter, please contact the school office.

Sincerely,

Mr. C. Czarnecki

Principal
