Very Important Message to all Parents/Guardians:

Now that the weather is getting colder, please make sure that your child(ren) are dressed appropriately. When students stay at school for lunch they are required to be outside for part of the hour. Please check to make sure they have proper coats, footwear, hats and mitts when they leave home in the morning.
Thank-you!

PAC UPDATE

Kirkcaldy Parent Council would like to keep you informed on where your fundraising dollars are going. We create a budget at the beginning of each year and have some standard items that we contribute to annually. We ensure that all students at the school will benefit from the contributions and fundraising. Some of those are The Volunteer/Citizenship award for two graduating students at the end of the year, special events, Library Memorial fund, Teacher Appreciation, \$200 a year rotates between the library, resource gym and Music departments. Music received it last year and it will be going to the gym this year. Also items such as a contribution to a year end field trip for each class. We have raised it from \$50 per class to cover a bus this year, and help contribute to costs to send students to the Science fair. We will have the official budget posted on the PAC bulletin board so you can take a look. We have also made a commitment to raising funds to help replace some of the wooden playground that was damaged over the summer. We will be raising funds to go towards that over the next few years. We have a goal of \$7,000.00 to raise this year to cover the budget and put toward this project. We would like to thank everyone for their support in this. Some things to look forward to are the Sausage Fundraiser that has just started. The class that sells the most will receive a \$50.00 prize to go towards an activity of their choice.

Coming up we will be doing Funscript/Vista gift cards, and a BINGO night is being planned for February. Our social events planner is also working on organizing a Family Dance and Movie night again this year. Lots to look forward to!!

Volunteers are always needed. Please contact us if you are willing to help out from time to time.

Just a reminder to send cutlery with your child in their lunch as the Lunch program does not supply cutlery. Warm ups are to be labeled with child name and classroom number and placed in the black bins by the office first thing in the morning.

The **Next PAC meeting** is scheduled for **November 16, 2016 at 6:30** in the Library. Babysitting provided.

Do Not Forget The Time Change
November 6th, 2016

Sunday, November 6, 2016, 2:00 AM clocks are turned backward 1 hour

The Kirkcaldy Heights Youth Revolution Team participated in the “**We Scare Hunger**” campaign during the month of October. Your donations of non-perishable food items enabled us to make a generous donation to the Helping Hands Soup Kitchen in Brandon.

Thank-you for your support!

Attention Parents:

Now that the weather is changing we are seeing many flu bugs and colds in our school. Please remind your children to wash their hands throughout the day and not to forget to cover their mouths when they cough or sneeze.

Special thank-you to Cathy Carter-Squire for organizing all the lost and found items.

WE DAY!

On November 18th, the Kirkcaldy Heights Youth Revolution Team will attend We Day in Winnipeg. We Day combines the energy of a live concert with the inspiration of incredible stories of leadership and change. This stadium-sized event - held in 14 cities in the U.S., Canada and the UK - brings together world-renowned speakers and performers with tens of thousands of youth to celebrate the power of service.

We are looking forward to an exciting day !
