Chose one monologue and one song to sing at your audition. We will teach you a dance number once you are at the audition (dress to move). We should be done by 6 pm, depending on the number of students auditioning.

Monologues - Please interpret one of the following monologues by creating a character using your voice, body and mind so that you create a performance that is interesting to watch and hear. Please do not just read or recite these words but commit to acting the character and intent. *Memorization is not mandatory but does show your commitment and lets us see how well you become the character rather than how well you can read.

Chad:

(EVIE approaches CHAD) Wow, everybody at home as pretty as you? *(A beat.)* You really nailed that chemistry problem today, Evie. All the smart kids are gonna be in love with you. Where is my cell phone? *(can't find it)* No big. My dad'll get me a new one. I'd love to stay and hang, but I'm swamped. Unless ... if you knocked out all my homework with that cool mirror of yours ... then maybe we could get together sometime, and ya know ... hang. Cool. Thanks, babe.

Ben:

Evie, Have you seen Mal? She's been under so much pressure – and instead of being there for her, I went all “Beast Mode.” I have to find her and apologize, beg her to come back. Connecting our two words doesn't work without her. There are no second chances. If Mal's not at the coronation – if my being crowned doesn't signify the mending of our cultures – my parents will close the portal and never open it again.

Singing - If you are auditioning for a chorus only part, you may sing “Be Our Guest” (in groups of 3 bars 8 - 16).

If you are auditioning for a lead please sing “Better Together” (Bars 4 – 13 Ben) or “Chillin’ Like a Villain” (Bars 16 – 45 Both the Jay and Carlos parts).
