### 1. COMMITTEE ITEMS

#### A. **Grades 1 to 8 Online Courses in Brightspace Learning Management System**

Mr. Mathew Gustafson, Superintendent/CEO, reviewed a letter from Manitoba Education and Early Childhood learning, regarding the Grades 1 to 8 Online Courses in *Brightspace* Learning Management System.

To further support online and blended learning in the province, Manitoba has procured Grades 1 to 8 courses from D2L, the makers of *Brightspace*. This series of digital courses is specifically designed to help teaching and learning, whether in person, blended or in fully online environments. Courses are available free of charge to any Manitoba certified teacher wishing to utilize them with students or as a resource.

Respectfully submitted,

---

C. Ekenna
