Ms. Susan Gilleshammer, Assistant Superintendent – Student Achievement Support Services

October 14, 2021

Manitoba public health officials have advised of at least one confirmed case of COVID-19 in St. Augustine School on October 12, 2021 in a Grade 6 Classroom, when the individual may have been infectious.

The school is working closely with public health officials and is following their recommendations. Close contacts have been identified and are advised to self-isolate (quarantine).

If you have not been contacted by the school stating your child is a potential close contact and a public health official has not contacted you, your child has not been identified as being exposed to COVID-19 from this case. If your child has not been identified as a close contact, public health officials still recommend that you closely monitor your child for symptoms of COVID-19.

Brandon School Division will continue to work closely with Public Health and Manitoba Education during this pandemic.

Sincerely,

Mr. Mathew Gustafson
Superintendent/CEO
