-----------------	-----------

1. COMMITTEE ITEMS

A. Indigenous Learning Kit

As presented at the February 22, 2021 Board of Trustees meeting, an Indigenous Learning Kit was created to support COVID-19 protocols in our schools. The kit contains student-created art and a student-edited storybook, colouring pages, Indigenous teachings, and other tools to help guide students in their learnings.

The book has now been produced and copies will be provided to each Brandon School Division school as well as some community partners. Each Trustee will receive a copy of the book and copies are also available for purchase.

2. OPERATIONS INFORMATION

NEXT MEETING: TBD

Respectfully submitted,

L. Letain
