Date Adopted: September 2018

Amended:

The Brandon School Division Board of Trustees have delegated authority to the Superintendent/Chief Executive Officer to direct the operations of the school division through the Brandon School Division Administrative Procedures Manual. The development of two distinct documents (Policy Manual and Administrative Procedures Manual) reinforces the distinction between the governance responsibility of the Board and the administrative/leadership duties of the Superintendent/CEO within the Board's governance model.

Administrative Procedures may be developed, altered and modified without prior approval of the Board, except in those areas specifically identified through Board Policy #9 as requiring Board approval.

A review of all Administrative Procedures will be carried out through the Superintendent/CEO and Senior Administration on an annual basis to ensure that these procedures are kept current and that they effectively link to the policy directives of the Board, the Minister of Education and the requirements of provincial legislation. This review must also take into consideration the impact of such procedures on those directly affected.
