The Division accepts no liability for loss or damage suffered to vehicles and/or contents while parked on Division property.

The Division reserves the right to withdraw parking privileges from any member of the staff or student body who, in the opinion of the Administration, is abusing or misusing the parking facilities.

No refunds will be given regardless of circumstances.

No parking of vehicles or trailers shall be permitted on school grounds unless such parking takes place in areas developed for this purpose and the parking is authorized by the Director of Facilities and Transportation.

The Division reserves the right to remove, at owner's expense, any vehicle using the parking facilities without prior authorization.
