**Amended:** May 2019

---

The Supervisor of Transportation is authorized to change routes, without formal approval from the Secretary-Treasurer, provided that extra buses are not required and no major effect is experienced by the bus drivers.

The Supervisor of Transportation may assign a student from one bus route to another bus route in response to a reasonable request from the parent/guardian and School Leader if there is room on the bus and no change is made to the route mileage or driver time to accommodate the student.
